The by-product of Faith: _____

Talk It Over

1. What's one idea from the message that really stood out to you? Why did this idea grab your attention?
2. What were you afraid of when you were a child? The dark? Storms? Monsters under the bed?
3. How have your fears changed over the years as you've gotten older?
4. Chuck talked about the idea of "practical atheism". In your own words, what does that mean? Have you ever slipped into such a place in your life? In what areas?
5. Read Isaiah 43:1-3a. How has God addressed our fears of the past, present, and future?
6. Think of one area in which you have recently been anxious or afraid. What would faith look like in that situation? What has God said that applies? What would it mean to 'believe God' in that area?
