Talk it Over

1. Is there an area of your life where hopelessness has set in? How does the resurrection displace the despair you may be feeling over that area?
2. Is there some sin in your that you find it hard to believe can be forgiven? How does Peter's restoration give you hope for God's grace in your life?
3. What do you find yourself fearing these days? What have you learned about trust displacing fear? How could Jesus' resurrection give you help in facing what you fear most?
