Discussion Questions

Name It

1. What is one thing that stuck out to you or was unclear to you from the sermon?
2. Growing up, who most shaped your understanding of Jesus?
3. In the past year, who or what has shaped your understanding of Jesus?

Know It

1. Read Matthew 16:13–20. What different answers did people give about who Jesus was? How are these responses similar to or different from answers people may give today?
2. Still thinking about Matthew 16, why do you think Jesus asked this question in a place associated with pagan worship and spiritual darkness?
3. Read Philippians 2:12–13. What responsibility do believers have in their spiritual growth?

Think It

1. What's the difference between knowing what others believe about Jesus and personally believing in Him yourself?
2. Which part of the gospel progression from Romans- Need, Cost, Provision, Gift, Response, Result, Assurance- stands out most to you right now? Why?
3. Are there areas where you're tempted, or you see others tempted, to let culture shape your thinking more than Scripture?

Change It

1. What would it look like for you to "work out your salvation" intentionally this week—in prayer, obedience, repentance, or service?
2. What is one practical step you can take this week to deepen your personal relationship with Jesus rather than relying on someone else's faith?
